

Norman Street Swimming Report 2021-2022

We have been pleased this year to have finally had our first full swimming programme following the virus outbreak and we have managed to allow all children maximum opportunity to pass national expectations by reaching 'green' award. In September, all children in year 3 and those year 4's and 5's who hadn't passed the previous year, had an intensive swimming block- swimming at the Pools each day.

Sadly, we weren't able to ask our current year 6's who hadn't passed to return for a swimming block at Bewcastle School due to unforeseen circumstances. Having swam in year 3, 4 and twice in year 5, there will be a small number of children heading into year 6 this year that haven't passed expectations.

For this upcoming year (2022-23), we have tweaked the swimming programme again. All children in year 3 and 4 will swim intensively for a fortnight in September/October, as will those children in year 5 who still haven't yet passed. The aim of this is to maximise the amount of swimmers that pass in year 3 and 4, so then only a very small number need to return and pass as year 5's.

2021-22

Year Group	Children passed	Children not passed
3	13/47	34/47
4	23/49	26/49
5	13/49	36/49

2022-23

Year Group	Children to swim
3	49/49
4	49/49
5	26/49
