

Norman Street Primary School

Handwriting Policy

Here at Norman Street Primary School we are very proud of our pupil's handwriting and take particular care in our cursive/joined-up handwriting style. We use Letter-join as the basis of our handwriting policy that covers all the requirements of the 2014 National Curriculum.

Handwriting is a basic skill that influences the quality of work throughout the curriculum. At the end of Key Stage 2 all pupils should have the ability to produce fluent, legible and, eventually, speedy joined-up handwriting, and to understand the different forms of handwriting used for different purposes.

We aim to make handwriting an automatic process that does not interfere with creative and mental thinking.

Aims & Entitlement

Children in the Foundation stage should be able to:

- Hold a pencil in an effective manner for writing and be encouraged to correct any errors in grip or stature.
- Understand that letters are written on a base line and that all cursive letters 'start on the line' and 'end with a hook'.
- Begin to form some recognisable joined-up cursive letters, capital letters and numerals.
- Have an understanding of writing their own name.
- Understanding different shaped letter families.
- Sit in the correct position and hold a pencil correctly to allow fluid movement of the nib.
- Improve fine and gross motor skills by enjoying drawing pre-cursive patterns in a variety of writing materials such as modelling clay, air writing, sand trays, felt pens, crayons, pencils, IWB, iPads/tablets.
- Understand the language need to describe pencil movements in preparation of letter formation.

Children in Key Stage 1 should be able to:

- Write legibly using upper and lower case letters with correct joins.
- Ensure that letters sit on the base line and are consistent in size with ascenders and descenders that are the correct length and formation.
- Leave the correct space between words.
- Form capital letters and use where appropriate.
- Form numerals that are consistent in size and sit on the base line.
- Begin to form printed letters and understand when they are to be used.
- Improve the speed of writing and begin to write automatically so promoting creativity in independent writing.

Children in Key Stage 2 should:

Improve quality, speed and stamina of handwriting.

- *Quality*: Ensure letters are consistently sized with equal word spacing and that ascenders and descenders are parallel and do not touch words on the lines above and below.
- *Speed*: Improve speed of handwriting to allow creative writing to take precedence over the task of handwriting and be able to take 'quick notes' at a faster pace.
- *Stamina*: Have the strength and mobility to be able to write for longer periods of time without fatigue.

Have full knowledge and ability of the different forms of handwriting for different purposes:

- Neat, joined, cursive letters for writing passages and large amounts of text, lists and letters.
- Printed or capital letters for posters, notices, headings, labelling, and form filling.
- Speedy handwriting for note-taking and dictation where neatness is not as important and shortcuts, such as + instead of 'and', can be used.

Teaching and Learning

FOUNDATION:

For our youngest pupils we aim for two to three weekly sessions totalling 30 minutes that will include the following;

- Movements to enhance gross motor skills such as air-writing, pattern making, dancing.
- Exercises to develop fine motor skills such as making marks on paper, whiteboards, blackboards, sand trays, iPads and tablets.
- Letter learning to familiarise letter shapes, formation and vocabulary.

YEARS 1 AND 2:

Teaching will continue with two or three weekly sessions totalling 30 minutes covering:

- Gross and fine motor skills exercises.
- Cursive handwriting reinforcement, learning and practice.
- Numerals, capitals and printed letters: where and when to use, learning and practice.

YEARS 3 TO 6:

More advanced handwriting techniques will be taught during two or three weekly sessions totalling 30 to 45 minutes teaching:

- Cursive handwriting re-enforcement.
- Form-filling/labelling using printed and capital letters.
- Dictation exercises to teach the need for quick notes and speedy handwriting writing.
